

# ADOPT-A-STREET PROGRAM

## MAKE A DIFFERENCE IN YOUR COMMUNITY

The Adopt-A-Street program in Deltona is a community-driven initiative facilitated by the Public Works Department. It aims to control litter in designated areas through volunteer participation. Participants commit to picking up trash along the streets they adopt and are encouraged to maintain cleanliness as needed. Adopt-A-Street fosters pride by engaging local volunteers in maintaining their own streets, promoting a cleaner and more attractive community. Participation is cost-free, requiring only the time and effort of volunteers.

Trinity Christian Academy with their adopted street.

## JOIN THE TEAM & HELP KEEP DELTONA BEAUTIFUL!

Any individual, business, school, church etc may adopt a street. All you need is to be within the city limits and to submit either a bi-weekly, monthly or quarterly (for bigger groups) report.
